Elden Ring Features Key:

An epic fantasy adventure full of new gaming experiences, where you can enjoy the flashy visuals and power of DualShock 4 wireless controllers and the touch pad. The game also supports immersion using 3D audio and a variety of essential gaming actions like aiming, dodging, and executing special attacks.

An experience of style infused with a sense of urgency that keeps you glued to the game. What is the Elden Ring supposed to be at the beginning of the day's cycle? What will it become by the time the morning comes to an end, as time continues to race on?

Create your own hero and follow the story by changing your own style. It's up to you to decide how your character's armor and weaponry, magic, and appearance will change over time.

Brandish the power of the Elden Ring and defeat a large variety of heroes and monsters along the way. Unleash a variety of attacks, including the most amazing elemental spells. I reaped the power of the Elden Ring, and become stronger than ever... or did I?:) The game also offers a variety of other elements such as trading, gathering, fishing, etc.

"It is a good RPG that easily gets your attention because of the challenge and the interesting story" IGN [youtube.com/elwrote](https://www.youtube.com/elwrote) twitter.com/EIWrote FACEBOOK: facebook.com/EIWrote TWITTER: twitter.com/elwrote XCOM 2 fans are mourning the loss of their beloved franchise. However, while the game is only a few months away from release, there may be some hope on the horizon. The latest announcement from Firaxis, the studio behind XCOM 2, has seemingly hinted at a revival for the original franchise. The update states the game would be a new story that would take place outside of the the XCOM world. This could be a new set of episodic missions for an audience of hardcore fans. Considering how much of the lore and details about XCOM has been expanded upon and continues in a sequel to 2, this sounds like a fantastic idea.
